- Mayor William "Bill" Droste Scheduled to Speak at 4:00pm -*

April 28, 2010, Rosemount, MN – FTTH Communications, the next-generation communications provider of phone, cable and Internet all over a fiber network, and an EveresTV company, announced a 3:30pm to 6:00pm Grand Opening Celebration of its new headquarters in Waterford Commons located at 2930 146th St W, Rosemount, Minnesota. Mayor William "Bill" Droste Scheduled to Speak at 4:00pm.

"FTTH Communications is pleased to be home. On behalf of EveresTV, we are grateful for the support from the City of Rosemount, and *The Rosemount Town Pages* to keep FTTH in this town. We appreciate Rosemount Mayor Droste and the Rosemount City Council members for continuing the franchise agreement so we can still be part of this community. It's been 60 days for us and we have made some progress already. We look forward to working closely with City Officials to optimize the potential of our unmatched world-class fiber infrastructure to this community," said Jeffrey Feldman, President of FTTH Communications. "As one of only two providers to have a franchise agreement in this town, FTTH remains committed to delivering the highest grade communications services, both traditional and new. We invite you to tell us what other services you would like. We want to get your take on DVR features, network storage, file management and networks based computing and possibly participate in early test trials," he added.

About the Grand Opening

On April 29th from 3:30pm to 6 pm at FTTH Communications' new home at Waterford Commons, FTTH will host a Grand Opening Celebration.
